Recent Graduates are working at Boeing, Hewlett Packard, Transmarket Group, Microsoft, Expedia, Verizon, Amazon, PNNL, Intel, SEL

Program Description :

Computer engineering is a field of study that encompasses the fundamental principles, methods, and modern tools for the design and implementation of computing systems. The computer engineering program provides a balanced perspective of both hardware and software elements of computing systems, and of their relative design trade-offs and applications. Computer engineering builds upon fundamental courses in mathematics, science, and the engineering disciplines to achieve a sound knowledge foundation and to develop breadth.

Admission Requirement :

1. Students should have completed a minimum of four years of study beyond grade 12.
2. Have a cumulative grade point average (GPA) of 3.0 on a 4.0 scale or a B grade or better

Course Checklist :

1. Application Fees
2. Passport

* All the above information must be verified with Institution/Country Website

3. Grade 10 Mark Sheet
 4. Grade 12 Marksheet
 5. 4 years Bachelors Degree
 6. English Language Score
 7. Statement of Purpose
 8. 3 Letter of Recommendations
-

* All the above information must be verified with Institution/Country Website
