### **Program Description :**

This program places graduates at the intersection of two growing, exciting, and globally significant areas of theory and practice: leisure and sustainability. The program prepares emerging leaders to examine and create solutions which ensure that residents and travelers alike can enjoy recreational experiences, natural and cultural amenities, heritage resources, and adventure as part of their life experiences on a sustainable basis. Students will engage in coursework delivered in a non-traditional, international educational setting where the instructional approach draws upon field experience, classroom instruction, and experiential styles of learning

### **Admission Requirement :**
