Note :

Recent graduates with a post-baccalaureate in International Business enter a dynamic and rapidly growing field with limitless potential for exciting career opportunities. With a strong understanding of global economic trends, cross-cultural communication, and international business practices, graduates are equipped to succeed in a fast-paced, constantly evolving global market. International business expertise will allow graduates to work across borders, bridge cultural divides, and drive business success on a global scale. Whether they choose to work for a multinational corporation, a small business with international ambitions, or a non-profit organization making a difference on a global stage, graduates will have the skills and knowledge necessary to succeed in a culturally diverse and dynamic work environment

Program Description :

A global economy and the global integration of business practices will be a continuing reality in the future. International Business combines a large range of skills allowing professionals to maneuver through the growing complexity of a global economy. This program prepares students to succeed in a global environment by providing opportunities to develop intercultural competency in business settings. By combining various perspectives, such as social responsibility, sustainability, economic and managerial aspects, this degree equips learners with the valuable core skills required by international organizations and/or companies working in a global context.

Admission Requirement :

Applicants must have completed a 3-or-4-year undergraduate degree from a recognized post-secondary institution in a non-business or management field of study with a minimum 60%, or C average in the last two years of study
