Program Description :

The Bachelor of Arts in Management degree program is specifically designed for anyone seeking a broad management background focusing on the organizational and human dimension of the field. This program will teach you the basic knowledge and skills you need to succeed as a manager in your field. Throughout the Bachelor of Arts in Management program at CityU, you'll develop a broad understanding of what makes organizations work, how to build successful teams, how to be a strong leader, and how to communicate in the business world. The program includes 50 core credits that focus on solving business problems from a manager's perspective.

Admission Requirement :

- High School Diploma or equivalent.
- English Language Requirements: IELTS (International English Language Testing System) - Band 6.0, TOEFL iBT - 76
