**Note :**

Job opportunities range from small niche markets to large-scale greenhouses and farm operations, including positions in agribusiness companies, greenhouses, research and testing labs, government agencies, industry associations, consulting firms, parks, nature preserves, botanical gardens, and more.

**Program Description :**

UFV's four-year Bachelor of Agricultural Science with a Horticulture major helps you develop the perfect mix of technical, communication, and business skills to prepare you to play a leading role in the Fraser Valley's agricultural sector. In addition to including the core content offered by Horticulture programs in this field (e.g. nursery, greenhouse, vegetable, fruit production and science), the degree has a strong applied focus. Most of the courses are associated with a laboratory section, practical greenhouse work, and/or field trips.

**Admission Requirement :**

1. Completion of Grade 12th with 60% and above.
2. Chemistry 12, CHEM 093 or CHEM 110 with a C or better;
