**Program Description :**

Lakehead's Nursing program creates a supportive learning environment to help you apply a broad range of concepts from the sciences and liberal arts when caring for people of all ages and backgrounds. You will learn to become an active member of an interprofessional health care team that can meet the needs of society while maximizing healthcare outcomes through communication, health promotion, and health protection strategies. Our faculty is on the cutting edge of Nursing knowledge and regularly incorporate their research into the classroom with topics related to women's health, the aging process, nursing ethics, nursing care of oncology patients and those with cardiovascular disease, and much more.
