Program Description :

Psychology is the scientific study of the behavior of animals and humans. Psychology majors develop strong research and analytical skills while exploring all phases of human life. They study behavior of individuals and groups, both the well-adjusted and the dysfunctional. Students of psychology are interested in conducting research to discover patterns of human behavior, as well as in applying psychological principles and techniques to solving social and individual problems.

Admission Requirement :

12th Science with Grade Point Average 3.0 in High School.

General Checklist :

English Language Score Card: TOEFL or IELTS should be send directly to University electronically.
