Program Description :

The Department of Mathematical Sciences has a long tradition in graduate study, having initiated the Doctor of Philosophy degree in the early 1900s. With 43 full-time faculty and approximately 70 full-time students, the departments low student/faculty ratio provides an excellent environment for study and research direction. The department has strong research groups in the areas of algebra, complex analysis, differential equations, dynamical systems, functional analysis, numerical analysis, probability, topology and statistics.

Admission Requirement :

- Undergraduate degree in engineering, computer science or a closely related field with a cumulative GPA of 3.0 or better.
- GRE scores-300 and above.
- Demonstrated proficiency in English language.

General Checklist :

- Bachelors all semester mark sheets and Degree Certificate.
- Grade 10th and 12th Mark sheets
- Work Letters: Appointment and Experience Letters
- Resume
- Passport
- English Language Score Card: TOEFL or IELTS should be send directly to University electronically.
- Statement of Purpose

* All the above information must be verified with Institution/Country Website

- Letter of Recommendation
-
