SUNY Polytechnic Institute 100 Seymour Rd, Utica NY 13502 https://sunypoly.edu

SUNY Polytechnic Institute is a globally recognized leader in higher education and technology innovation, research and development. SUNY Poly students enjoy a public-school tuition with the same benefits that many small private institutions boast, including small class sizes, individualized learning experiences, and a tight-knit community. With access to expert faculty and researchers, innovative career preparation, and world-class facilities, SUNY Poly offers unique opportunities.

Bachelor of Science in Computer and Information Science						
Program Name	English Language	Duration	Application Fee	Tuition Fee	Intake	Post Study Work Visa
Computer and Information Science	IELTS 6 R 6 W 6 S 6 L 6 GPA/% 3	48 Months	USD 60	Yearly USD 18000	January September	STEM Program - Upto 3 Years , Others - 1 Year

Program Description:

The program, which closely follows the Association of Computing Machinery (ACM) recommendations, gives students the flexibility to concentrate studies according to their interests. The general educative goal of the undergraduate program is to ensure that each graduate has a solid background in all the fundamental areas of computer science and to provide a sufficiently wide spectrum of advanced electives to allow each student to fashion a specialization (or concentration) suited to their strengths and interests. Some concentrations that could be constructed from current and recent offerings are: Information Assurance/Data Security Entertainment Computing (including game design and game programming) Machine Learning and Artificial Intelligence System Administration Scientific and Engineering Computing Network and Grid Programming System Modelling and Simulation Information Technology
