### **Program Description :**

Whether you’re currently a manager, or wish to become one, the Bachelor of Business (Management) will help you gain a broad theoretical and technical knowledge in a range of core areas of business, plus the skills necessary to be effective in the changing context of work, organisations and business. You’ll study how management underpins business operations in different settings and will develop innovative answers to problems facing businesses into the future. The course will focus your oral and written communication skills through industry-based assignments that reflect real-world business scenarios. Throughout this applied degree, you’ll analyse, review and investigate business problems to provide inventive solutions for private, public and not-for-profit enterprises. You’ll graduate as an agile, multiskilled business professional with the transferable employability skills and creative abilities to succeed as a manager in whichever sector you
